Information About This Hearing Request Form

What is this form?

You can use to request a hearing on an application to construct a net-metering system. Please note that the form does not become effective until you (or your duly authorized representative) complete, sign, and file the

form with the Commission, with copies to those who are entitled to receive a copy.

Who can use this form?

Anyone can use this form, provided they have obtained party status from the Commission. You may

request party status by filing the appropriate "Motion to Intervene" or a "Notice of Intervention" form with the

Commission. These intervention forms are available at www.puc.vermont.gov or can be obtained by contacting the

Clerk of the Commission at puc.clerk@vermont.gov. You may file this Hearing Request Form at the same time that

you seek to intervene.

When should I file this form?

This form must be filed by the date printed on the top of the application form.

Where do I send this form?

You can use ePUC (the Commission's online filing and case management system) to both file this form and

send it to the parties in the case. More information about how to file this form using ePUC is available at

www.puc.vermont.gov. Alternatively, if you do not participate in this case electronically, you must mail the original

of the completed form to: Vermont Public Utility Commission at 112 State Street, Montpelier, VT 05620-2701. You

must also mail copies of the completed form to all parties in the case. You can obtain a list of names and

addresses of the parties in the case by contacting the Clerk of the Commission at puc.clerk@vermont.gov.

What happens after this form is filed?

Commission staff will review this form for completeness. Provided you have identified issues that are within

the Commission's jurisdiction to resolve, you will be contacted by the Clerk of the Commission regarding a date for a

scheduling conference, which is a meeting where the parties to a case discuss how to proceed with the case,

including setting a schedule, identifying issues to be resolved at the hearing, and any other matters deemed

appropriate by the Commission. If your request for hearing does not identify any issues that are within the power of

the Commission to resolve, then you will be informed of this fact and no hearing will be scheduled.

¹ The statutes that govern the siting of net-metering facilities are 30 V.S.A. §§ 248 and 8010. You may review the text of these statutes at: http://legislature.vermont.gov/statutes/section/30/005/00248 and http://legislature.vermont.gov/statutes/section/30/089/08010. Additionally, the Commission's net-metering rule conditionally waives the obligation of net-metering applicants to present evidence for some of these criteria. For a more thorough discussion of the criteria applicable to net-metering systems, please see Commission Rule 5.111.
