

Clean Heat Standard Technical Advisory Group – Draft TRM Subgroup Meeting

Wednesday, October 10, 2024, 9:30 am-12:00 pm ET

Meeting Link: Zoom link: <https://cbi-org.zoom.us/j/89637405423>

DRAFT AGENDA

1. Review 10/3 TAG mtg discussion and establish next steps for TAG vote on 10/17:
 - EVT and draft TRM alignment on heat pump hrs of operation
 - Definition of advanced wood heat
 - Rate of decline in CIs for biofuels

2. Begin review of draft options papers (if available) on:
 - Use of counterfactuals for biofuels
 - Treatment of land use change for biofuels
 - Wood fuel CIs and other issues

3. Begin discussion of outstanding TAG deliverables and next steps
 - How to translate CIs to credit values
 - Identification of CH measures that will lower energy costs
 - Public health affects of CHS measures

4. Discuss draft CHS rule and companion memo to identify issues of relevance to TAG
