9:35	Updates from the PUC <ul style="list-style-type: none"> State ethics training¹ 	Deirdre Morris, PUC
9:40	TAG Schedule and Accomplishments	Chair
9:50	OD Measure Characterizations memo <ul style="list-style-type: none"> Follow up to OD responses and request for add'l input 	Early Win Measure Characterization subgroup
10:15	Double Counting ² <ul style="list-style-type: none"> Introduce topic Discussion & Next steps 	Chair
10:45	Break	
10:55	CHS coordination with other energy programs ^{3,4} <ul style="list-style-type: none"> Introduce topic Discussion & Next steps 	Chair
11:15	Reconciliation between target and lifecycle emissions of CH measures (shared in advance) <ul style="list-style-type: none"> Q&A 	Ken Jones

¹ State of Vermont public servants are required to complete training on the State Code of Ethics.

² Section 8128(9): “coordinating with the Agency of Natural Resources to ensure that greenhouse gas emissions reductions achieved in another sector through the implementation of the Clean Heat Standard are not double-counted in the Vermont Greenhouse Gas Emissions Inventory and Forecast”

³ Section 8128(6): “facilitating the program’s coordination with other energy programs;” (i.e. Energy Efficiency Utility Program, RES Tier III, low-income weatherization program)”

⁴ Section 8127(k)(1): “All eligible clean heat measures that are delivered in Vermont beginning on January 1, 2023 shall be eligible for clean heat credits and may be retired and count towards an obligated party’s emission reduction obligations, regardless of who creates or delivers them and regardless of whether their creation or delivery was required or funded in whole or in part by other federal or State policies and programs. This includes individual initiatives, emission reductions resulting from the State’s energy efficiency programs, the low-income weatherization program, and the Renewable Energy Standard Tier 3 program. Clean heat measures delivered or installed pursuant to any local, State, or federal program or policy may count both towards goals or requirements of such programs and policies and be eligible clean heat measures that count towards the emission reduction obligations of this chapter.”

11:50	Prior vs current year sales data to determine obligation <ul style="list-style-type: none"> Proposed language for TAG consideration 	Matt Cota & Ken Jones
12:05	Equity Advisory Group Report	Emily Roscoe & Matt Cota, EAG liaisons
12:15	Public Comments	
12:25	Other Matters <ul style="list-style-type: none"> Agenda topics for next meeting – Thurs., August 22, 9:30 – 12:30 	Chair
12:30	Close
